

PHOENIX

Class 1 LED Light Bar

The Phoenix Class 1 LED Light Bar is a sturdy, compact-designed high-profile light bar that produces a powerful amber, white, or green warning signal. Measuring 15" wide, this versatile light bar packs a punch despite its small footprint. Multiple mounting options available, including a magnetic mount which includes a cigarette lighter adapter that allows you to toggle through all 10 flash patterns quickly and easily, providing you with great flexibility on the job. A perfect solution for multiple applications, including construction, municipal, service vehicles, and work trucks. Multiple options available for both LED and lens color, including a green LED signal.

FEATURES

- 6 light bars in the series
- Rugged Polycarbonate construction
- Lens with UV inhibitors
- 360 degree illumination provides outstanding visibility from all angles
- SAE Class 1 certified
