

# TALLADEGA

## Class 1 16" LED Light Bar

The Talladega Class 1 LED Light Bar is a compact-designed low-profile light bar that produces a powerful amber warning signal. Measuring 16" wide, this versatile light bar packs a punch despite its small footprint. Multiple mounting options available, including a magnetic mount which includes a cigarette lighter adapter that allows you to toggle through all 10 flash patterns quickly and easily, providing you with great flexibility on the job. A perfect solution for multiple applications, including construction, municipal, service vehicles, and work trucks.

### FEATURES

- 2 light bars in the series
