600 Series
6" Oval LED Warning Light

Formerly "Michigan" Series

The 600 Series Oval LED Warning Light produces attention-grabbing warning signals that are designed to meet the demands of multiple commercial vehicles including work trucks, cranes, municipal, construction, tow trucks, delivery vehicles, and more. The 600 Series produces a powerful amber or green warning signal and allows situation-specific warning options from 8 different flash patterns. The 600 Series lights are easily connected to your vehicle with an included three pin amp connector — or you can order without a connector for other power options.

FEATURES

- Clear lens with amber or green LED options
