

MICHIGAN

600 Series 6" Oval LED Warning Light

The Michigan LED Warning Light produces an attention-grabbing warning signal that is designed to meet the demands of multiple commercial vehicles including work trucks, municipal, construction, tow, and delivery. Available in both a 4" round and a 6" oval option, the Michigan LED Warning Light produces a powerful amber or green warning signal. It features 8 different flash patterns to choose from and is easily connected to your vehicle with the included three pin amp connector. Get noticed and stay safe with the Michigan LED Warning Light.
