

# LB1100 Series\*

## Class 1 LED Light Bar

\*Formerly "Sonoma" Series

The LB1100 Series Class 1 LED Light Bar is a sturdy, compact-designed high-profile light bar that produces a powerful amber warning signal. Measuring just 11" wide, this versatile light bar packs a punch despite its small footprint. Multiple mounting options are available, including a magnetic mount which includes a cigarette lighter adapter that allows you to toggle through all 10 flash patterns quickly and easily, providing you with great flexibility on the job. A perfect solution for multiple applications, including construction, municipal, service vehicles, and work trucks. Multiple options are available for both LED and lens color.

### FEATURES

- 4 light bars in the series
- Small footprint
- Rugged polycarbonate construction
- Lens with UV inhibitors
- 360 degree illumination provides outstanding visibility from all angles
- SAE Class1 certified
