

LB1500 Series

Class 1 / Class 3 15" LED Light Bar

Formerly "Phoenix" Series

The LB1500 Series Class 1 LED Light Bar is a sturdy, compact-designed high-profile light bar that produces a powerful amber, white, or green warning signal. Measuring 15" wide, this versatile light bar packs a punch despite its small footprint. Multiple mounting options are available, including a magnetic mount which includes a cigarette lighter adapter that allows you to toggle through all 10 flash patterns quickly and easily, providing you with great flexibility on the job. A perfect solution for multiple applications, including construction, municipal, service vehicles, and work trucks. Multiple options are available for LED color, including a dual color amber/white option.

FEATURES

- 7 light bars in the series
- Rugged polycarbonate construction
- Lens with UV inhibitors
- 360 degree illumination provides outstanding visibility from all angles
- **SAE Class 1** certified (Amber, White)
- **SAE Class 3** certified (Green)
