THE LB1500 SERIES PHOENIX 15" MINI LIGHT BAR is our featured lighting product for November 2024!

The LB1500 Series Mini Light Bar (part 100LB0035) is designed to cost-effectively enhance safety and visibility on the road. Alerting motorists with a striking green visual warning, this sturdy, compact light bar packs a powerful visual punch, despite having a small footprint. The strong magnet mount makes deployment and storage simple and the cigarette lighter adapter allows quick, situation-specific switching between 10 unique flash patterns, delivering flexibility on the job. The LB1500 is a perfect solution for applications including construction and service vehicles, municipal fleets, and work trucks.

Don't miss the opportunity to make sure your fleet or vehicle commands attention with the LB1500, now at our lowest price ever — **but only during the month of November!**
